

# SEMESTER BY THE SEA

## Don't just study Marine Science. *Immerse yourself in it!*

- 16 weeks of intensive experiences in Marine Sciences and Maritime Studies
- Live and learn on our oceanfront campus, located in the heart of the Hamptons on the East End of New York's Long Island
- Explore Long Island's bays, estuaries, salt marshes, beaches, ocean, and marine life
- Work side by side with our world-renowned faculty
- Acquire hands-on experience using oceanographic equipment aboard our research vessels
- Conduct research in our new \$8 million state-of-the-art waterfront Marine Sciences Center
- Earn 15 undergraduate credits in one term; fulfill your general education requirement
- Spring and Fall semester programs offered
