Applying to SUNY using this Paper Application

STEP 1: CHOOSE YOUR CAMPUSES

Before beginning your application, decide where you want to apply. You can use this application to apply to 52 of the 64 SUNY campuses. See page A5 for a list.

STEP 2: CHOOSE YOUR MAJORS

Before beginning your application, decide which major you wish to pursue at each campus. You can choose only one major at each campus (except Purchase). Most campuses (except FIT, Upstate Medical and many community colleges) will allow you to select "undeclared" code 0000 as your major, if you are undecided.

To see a list of majors available at each campus, see pages 9-15 or visit **www.suny.edu/academicprograms**.

STEP 3: COMPLETE YOUR APPLICATION

All Applicants: Complete Questions 1-31 • Choosing Campuses Page A5 • Payment and Signature Page A6.

Non-U.S. Citizens: Complete Questions 1-39 • Choosing Campuses Page A5 • Payment and Signature Page A6

Transfer Applicants: Complete Questions 1-31 and 40-51 • Choosing Campuses Page A5 • Payment and Signature Page A6

Help for specific questions is provided on pages 3 and 4.

STEP 4: PAY YOUR APPLICATION FEE

The fee to process your application is $50 per campus choice. The fee is non-refundable and is independent of an admission decision or decision to withdraw or decline an offer of acceptance. **Your application will not be processed until full payment or authorized fee waiver request is received.**

Payment options are as follows:

Credit or Debit Card: To pay by MasterCard or VISA, complete the bottom of page A6.

Check (or Money Order): To pay by check, send a single check for the total amount due to the Application Services Center (ASC). Checks must be made payable to SUNY ASC and must be drawn on a U.S. bank. Returned checks will be subject to an additional processing fee of $20.

All appeals for refunds of overpayments must be put in writing to the Director of the Application Services Center.

Financial Hardship Fee Waivers: If you are a resident of New York State and/or a U.S. citizen, and wish to be considered for an application fee waiver due to financial hardship, you must submit a SUNY Fee Waiver Request Form (available from your school counselor), or an SAT or ACT fee waiver, with this application. You may also be asked to submit supporting documentation. Any form submitted must be signed by your school counselor. Upon review and approval, the ASC will grant a waiver for your first four (4) college choices. Appropriate processing fees for additional SUNY college choices must be submitted with your application.

Transfer Student Fee Waivers: Fees for four (4) campus choices will automatically be waived for transfer students graduating with an associate degree from a SUNY or CUNY two-year college and who apply directly to State University four-year campuses for baccalaureate programs. To be eligible you must complete questions 40-51. Failure to answer those questions will delay processing.

EOP Fee Waivers: If you are applying to the Educational Opportunity Program (EOP), the fees for your first four (4) campus choices will be waived, initially. If, upon review of your application, you are found ineligible for EOP, or if your campus choice does not offer EOP, you will be billed for the fee. Appropriate processing fees for additional SUNY campus choices must be submitted with your application.

STEP 5: REQUEST YOUR ACADEMIC RECORDS

Freshman Applicants: Please request one high school transcript per campus choice. If you are a high school student, you must also request that your counselor complete the School Counselor Section of the application on page A6.

If you are applying to Binghamton University, University at Buffalo, or Stony Brook University, you must also contact your testing agency and request that your SAT or ACT scores be sent directly to those campuses.

Transfer Applicants: Academic transcripts are required for all colleges you attended, whether or not you received credit. Please contact each college's registrar's office and request that your transcripts be sent directly to each campus choice to which you applied. If you are transferring from another SUNY school, please request a General Education Transcript Addendum be sent with your official transcript. Transfer applicants earning less than the equivalent of one year of study (generally 24-30 credit hours), should arrange for their former high school to send transcripts directly to the colleges to which they are applying.

STEP 6: MAIL YOUR APPLICATION PACKAGE

Please mail the completed paper application (six pages), application fee and your high school transcripts (if applicable) to:

Application Services Center
The State University of New York
State University Plaza
P.O. Box 22007
Albany, NY 12201-2007

(If your high school transcripts are not available at the time you mail your application, please have your transcripts forwarded directly to each campus to which you apply.)

STEP 7: WATCH FOR CONFIRMATION

You will receive a letter from the ASC confirming processing of your application within 7-10 days of receipt.

STEP 8: COMPLETE YOUR SUPPLEMENTAL APPLICATIONS

In addition to this application, some campuses may require or recommend a supplemental application, which may include an essay question. Requirements are found on page 5.

HELP FOR SPECIFIC QUESTIONS

Q. 2 APPLICANT SOCIAL SECURITY NUMBER

Your Social Security Number is used to coordinate the collection of information for all your student records. Authority to collect the Social Security Number is granted under Section 355 of the New York Education Law. Your response, however, is voluntary.

Q. 10A-10B RESIDENCY

Residency affects eligibility for in-state tuition and EOP. Typically, students are considered state residents if their primary domicile (or, if dependent, that of their parents) is in NY for at least 12 months prior to enrollment. Otherwise, students are presumed to be out-of-state residents. Generally, only U.S. citizens (question 9a) and permanent residents are eligible for the NY State tuition rate. However, certain non-U.S. citizens and residents of other states who graduate from a New York high school or have a New York GED and meet other requirements may qualify for the resident tuition rate. Please direct your questions concerning NY State residency to the Student Accounts Office at SUNY campuses.

Q. 13 FAMILY INCOME RANGE

Indicate the letter corresponding to your family's gross income, as reported on the federal income tax form. If your parents are separated or divorced, you should report the income of the household in which you reside for most of the year. Your answers here are used for assessing EOP and fee waiver eligibility and will not impact financial aid decisions.

A	$0 -	14,999
B	15,000 -	29,999
C	30,000 -	44,999
D	45,000 -	64,999
E	65,000 -	84,999
F	85,000 -	104,999
G	105,000 -	124,999
H	125,000 -	144,999
J	145,000 -	164,999
K	165,000 -	184,999
L	185,000+	

S Your family is the recipient of Family Assistance or Safety Net payments through the New York State Office of Temporary and Disability Assistance; or through a county Department of Social Services; or Family Day Care payments through the New York State Office of Children and Family Assistance.

T You live with foster parents who do not provide money for college, nor do your natural parents provide support.

W You are a ward of the state or a county.

Q. 16-17 DIVERSITY

Your responses to questions 16 and 17 are voluntary. The State University of New York will keep your responses confidential and will not use the information provided in a discriminatory manner. The failure to respond to these questions will not subject you to any adverse treatment. *The State University seeks to enroll students of diverse racial and ethnic heritage.*

Q. 20A-20B FELONY/DISMISSAL

REQUIRED FOR ALL APPLICANTS, even if you have never attended college.

A felony in NY State law is defined as a crime for which more than one year in prison may be imposed. The felony question applies if you have been convicted as an adult. If you have been adjudicated as having juvenile delinquent or youthful offender status, you are required to respond to the felony question 20a by indicating a response of "no."

Suspension is defined as a sanction imposed for disciplinary reasons that results in a student leaving school for a fixed time period, less than permanently. Dismissal from a college for disciplinary reasons is defined as permanent separation from an institution of higher education on the basis of conduct or behavior.

An affirmative response to either question will not automatically prevent admission, but you will be asked by your college choices to provide additional information. This information will be reviewed by a campus committee to ensure campus safety. Any falsification or omission of data may result in a denial of admission or dismissal.

Q. 27 FRESHMAN/TRANSFER DESIGNATION

Freshman. For admission purposes, you are a freshman if you have not taken college level work since high school graduation. If you have taken college level credits during high school, you are considered a freshman. Freshmen may also include students who have received the General Equivalency Diploma (GED) and adult learners entering higher education for the first time.

Transfer. For admission purposes, you are a transfer student if you have taken at least three credits of college level work since high school graduation. College work taken before high school graduation does not apply.

Q. 30 STUDENT SUPPORT SERVICES

Enter the letters corresponding to up to five campus services you would like, if available, at your college choices.

A   Improving mathematical skills
B   Improving reading skills
C   Improving writing skills
D   Developing good study techniques
E   Personal, career or educational counseling
F   Finding part-time jobs
G   Locating off-campus housing

Please see page 7 for a full description of this program.

Q. 36 VISA TYPE

Enter the code for the type of Visa issued to you. If you will require a student visa, enter "F-1."

Q. 42-46 CAMPUS AND COLLEGE CODES FOR TRANSFER STUDENTS

Please refer to the lists of college codes for NY State public colleges (SUNY or CUNY) on page A8. For private colleges in New York, enter "NY" and for out-of-state colleges, enter the appropriate state abbreviation.

To designate your Early Decision campus choice, mark the box in the respective college block on page A5. SELECT PROGRAM NOTES

JOINT ADMISSIONS PROGRAM

Freshmen may apply for joint admissions, a cooperative program between two-year and four-year SUNY colleges. The program guarantees junior-level admission (subject to certain requirements) in a parallel program at a four-year college after completing an associate degree program at the two-year college. To apply for a joint admissions program, enter the corresponding curriculum on page A5 or A7.

TRANSFER GUARANTEE

An opportunity to continue full-time study at a four-year State University college is guaranteed to all New York residents who transfer directly from a SUNY or CUNY two-year college with an AA or AS degree. The transfer guarantee becomes effective if you are denied admission at all of your SUNY four-year college choices. To be eligible you must:

- File your application with the ASC by March 1 for fall admission, and by October 1 for spring admission.

- Provide four-year campuses with an official two-year college transcript, showing three semesters of completed studies, by March 15 for fall admission, and by October 15 for spring admission.

- Complete all required supplemental application materials by April 15 for fall admission, and by November 15 for spring admission.

Although campus choice and academic program are not guaranteed, SUNY staff will work one-on-one with each Transfer Guarantee candidate to determine how the applicant can be best served given campuses and programs that are open and suitable.

Supplemental Application Requirements

In addition to your SUNY application, a number of SUNY campuses require or recommend that applicants complete a supplemental application. The supplemental application provides the Admissions Office with additional information, typically regarding your interests, activities, etc. Campuses may also ask applicants to complete an essay or personal statement as part of the supplemental application. The chart below lists the campuses that require or recommend a supplemental application.

SUNY Forms are identical and are available at www.suny.edu/suppapps. You can preview the questions now by downloading the SUNY Supplemental Application Worksheet at www.suny.edu/attend/suppapps. Campus Forms are unique to each campus. Links to many Campus Forms can be found at www.suny.edu/suppapps and are made available by the respective campuses.

[1] Tuition rate for non-New York residents enrolled in a bachelor's degree program at University at Buffalo and Stony Brook University is $19,590 and $17,810 at University at Albany and Binghamton University.

[2] Figure represents the average fee. Typically fees at the state-operated campuses range from $1,133 to $2,700.

TUITION, FEES AND OTHER COSTS

Total costs vary depending on the college, its location, full-time or part-time enrollment, program of study, housing accommodations, personal expenses and other individual factors. State University colleges have higher tuition rates for students who are not New York State residents (see chart above). Contact the Office for Student Accounts at your college choices for details about residency requirements.

Technology Colleges may charge a reduced non-New York resident tuition rate for the associate degree. This reduced rate does not apply to non-New York residents enrolled in a bachelor's degree program at the Technology Colleges.

Projected community college tuition for 2014-15 is approximately $4,076. New York State students enrolled in a community college not in their home county must provide the college with a certificate of residency from their home county to benefit from the lower, in-region tuition rate.

For students taking fewer than 12 semester hours (part-time study), New York State resident tuition is $257 per credit hour for baccalaureate and associate degree programs at state-operated campuses.

Most State University campuses have time-payment plans to enable you to pay in monthly installments. The campus Office of Student Accounts can provide you with information on payment options.

HOW FINANCIAL AID WORKS

Tuition and fees at SUNY are already low compared to other colleges and universities. Financial aid is available at all State University campuses for students who are unable to pay all college costs. Based on state and federal requirements, campus Financial Aid Offices determine your eligibility for assistance. Students and their families are considered the first source of funding to meet college costs. Financial Aid programs supplement student and family resources.

TYPES AND SOURCES OF FINANCIAL AID

Financial aid programs include academic scholarships, need-based grants, student and parent loans and employment. Both the federal and state governments offer financial aid programs. Other sources of assistance may include scholarships from private organizations, foundations, fraternal groups and SUNY campus sources.

HOW NEW STUDENTS APPLY FOR FINANCIAL AID

1 All financial aid applicants must complete the Free Application for Federal Student Aid (FAFSA).
   - File the FAFSA online at www.fafsa.ed.gov. For filing instructions and more information about financial aid go to www.suny.edu/smarttrack/applying-for-financial-aid.
   - Check the college Web site for deadlines. Complete the FAFSA after January 1, 2015, even if you have not yet filed your 2014 tax returns. Use estimates if necessary.
   - FAFSA on the Web applicants who are New York State residents and who plan to attend a college in New York State will automatically be directed to apply for TAP on the Web. For more information visit www.hesc.ny.gov.
   - If you are unable to file online, you can obtain the paper FAFSA application by calling 1-800-4FEDAID.

2 Read each college's website and financial aid literature. Contact the Financial Aid Office if you have specific questions. This is the best source of financial aid information.

3 Investigate other sources of aid. Several free scholarship search services are available online.

4 Keep a file of records and copies of applications.

5 If you require assistance to complete the Free Application for Federal Student Aid, please contact a college or university financial aid office. It is not necessary to pay an individual or organization for such assistance. (SUNY's Financial Aid Days will be offered early in 2015, for students and families who would like assistance with the FAFSA. Check www.suny.edu/studentevents in December for detailed information.)

HOW TRANSFER STUDENTS APPLY FOR FINANCIAL AID

1 If you did not submit a FAFSA for the current (2014-15) academic year, you should follow the application instructions above for new students.

2 If you did apply for financial aid for the current year (2014-15), you can complete the FAFSA Renewal on the Web at www.fafsa.ed.gov. (You will need your "pin" number.)

3 To apply for financial aid at the college you are transferring to, use the college code for the new campus on the FAFSA Renewal. You can get the code from the college, or by calling 1-800-4FEDAID, or online at www.fafsa.ed.gov. FAFSA codes for SUNY campuses can be found at www.suny.edu/smarttrack/fafsa-codes.

WHAT IS IT?

The State University of New York's Educational Opportunity Program provides access, academic support and financial aid to students who show promise for succeeding in college but who may not otherwise be offered admission. Available to first-time, full-time, matriculated students, the program supports students throughout their college careers within the University.

SUPPORT SERVICES

Educational Opportunity Program students receive both academic and financial support. Academic support services may include: personal counseling, academic advisement, tutoring, skill development workshops, supplemental instruction and mentoring. As part of the student's overall financial aid package, the Educational Opportunity Program provides modest financial aid to alleviate non-tuition expenses (e.g., books, supplies, etc.).

CAMPUS PARTICIPATION

The Educational Opportunity Program is available at all SUNY campuses with the exception of: Empire State College, and Adirondack, Cayuga County, Clinton, Columbia-Greene, Corning, Herkimer County, Jamestown, Jefferson, Mohawk Valley, Nassau, Niagara County, North Country, Orange County, Rockland, Sullivan County and Tompkins Cortland Community Colleges.

FEE WAIVER

Students submitting applications for EOP consideration may qualify for application fee waivers for their first four campus choices. If the applicant does not meet both academic and economic eligibility guidelines or, if the campus does not operate an Educational Opportunity Program, the student will be billed for the fee.

WHO IS ELIGIBLE?

To be eligible for admission to the Educational Opportunity Program a student must: 1) be a New York State resident for 12 months prior to enrollment; 2) require alternate admissions consideration; and 3) qualify as economically disadvantaged according to the guidelines indicated. In selecting students for the program, priority is given to applicants from historically disadvantaged backgrounds. Admission is subject to program capacity.

To be eligible for the program as a transfer, a student must have been enrolled in the EOP, CD/SEEK, HEOP or a similar program at his or her previous college. If the previous college did not have EOP or a similar program, the student may receive consideration for transfer eligibility and should notify the college to which he or she is transferring.

ACADEMIC ELIGIBILITY

Academic eligibility will vary by campus. To view the EOP freshman profile for each campus, visit www.suny.edu/eop-academics.

FINANCIAL ELIGIBILITY

The table above lists financial guidelines for Educational Opportunity Program eligibility. To be determined economically disadvantaged, a student's household income must not exceed the amount shown for its size, or the student's circumstances must conform to one of the exceptions indicated. Eligibility guidelines may be adjusted slightly each year.

NOTE: Applicants who are deemed ineligible for EOP may still qualify for admission and financial aid through other admissions processes.

Frequently Asked Questions

WHEN IS THE DEADLINE TO APPLY?

Early Decision and Early Action application deadlines are outlined on page 4. While there is no formal application deadline for regular decision freshman applicants, we recommend you apply by December 1 to maximize your chances for financial aid, campus housing and consideration for your major of choice. Please note, some colleges have specific application deadlines for certain programs of study. Transfer applicants are generally reviewed on a rolling basis. Be sure to be in touch with campuses directly to get deadline information for supplemental applications, auditions, art portfolios, etc.

HOW MUCH DOES IT COST TO APPLY?

The non-refundable application fee is $50 for each campus choice. The application will not be processed until full payment or authorized fee waiver request is received.

ARE THERE MINIMUM GPA OR SAT REQUIREMENTS FOR ADMISSION?

Each SUNY campus evaluates students individually for admission. Campuses are looking for students who have challenged themselves, worked hard and done well in high school (and college, if you are a transfer applicant). Student profiles vary from campus to campus. For more information, visit www.suny.edu/attend/admissions-quick-facts.

WHERE IS THE ESSAY QUESTION?

In addition to your SUNY application, a number of SUNY campuses require or recommend that applicants complete a supplemental application. The supplemental application provides additional information, typically regarding your interests, activities, etc. Many campuses also ask applicants to complete an essay or personal statement as part of the supplemental application. See page 5 or www.suny.edu/suppapps for supplemental application requirements.

HOW CAN I GET A SUPPLEMENTAL APPLICATION?

Many campuses provide their supplemental applications online. Visit www.suny.edu/suppapps to access or download supplemental application forms. Some campuses will mail applicants a supplemental form after receiving your SUNY application.

WHAT HAPPENS TO MY APPLICATION AFTER IT IS RECEIVED AT THE SUNY APPLICATION SERVICES CENTER (ASC) IN ALBANY?

The ASC will prepare one application for each of your campus choices and transmit it to the college along with your transcript. Once your application is sent to the college(s), the ASC will notify you that your application has been processed. Soon thereafter, each campus will contact you to let you know if any additional items are required to complete your application. An admission decision will be made and communicated by each campus to which you apply.

HOW WILL I KNOW MY APPLICATION WAS RECEIVED?

You will receive a confirmation letter from the ASC. The letter will be sent to your permanent address within 7-10 days of receipt of your application.

WHAT IS MY APPLICANT ID?

Your Applicant ID is typically your Social Security Number. If you did not provide or do not have a Social Security Number, an Applicant ID number has been assigned to you. It can be found on your acknowledgement letter you received via postal mail.

WHAT IS THE DIFFERENCE BETWEEN EARLY DECISION AND EARLY ACTION?

Both Early Decision (ED) and Early Action (EA) are early application/notification admission programs. The difference is in the application deadline and the binding nature of the program.

Early Decision is a binding program which is appropriate if you have a clear first choice campus. You may apply to only one campus as an ED candidate. See page 4 for instructions, deadlines and notification dates. If admitted, you will be expected to withdraw applications at other colleges.

Early Action is non-binding. You may apply to multiple campuses as an EA candidate. See page 4 for instructions, deadlines and notification dates. You have until May 1 to declare your enrollment intentions.

WILL MY ADMISSION DECISION BE AFFECTED IF I TAKE THE SAT I OR ACT MORE THAN ONCE?

No, campuses will consider the highest score you have achieved on either the SAT or ACT.

WHAT IS SUNY'S POLICY REGARDING THE SAT WRITING?

Each campus will make a determination about how the SAT (or ACT) writing component will be used. As part of your college search, ask each campus of interest about their testing requirements and policies.

DO SUNY CAMPUSES ACCEPT AP OR COLLEGE CREDITS TAKEN DURING HIGH SCHOOL?

Yes, each SUNY campus evaluates and awards credit for AP and college credits.

WHAT'S MOST IMPORTANT IN THE ADMISSION DECISION?

For freshman applicants, it is the high school academic record, which provides campuses with information regarding overall performance and course selection. For transfer applicants, your performance in college level work will carry the most weight in the application review process.

WHO MAKES ADMISSION DECISIONS?

Admission decisions are made at the college, based on individual evaluation of your academic record. The ASC does not make admission decisions.

WHEN WILL CAMPUSES NOTIFY ME OF THE ADMISSION DECISION?

See page 4 for Early Decision and Early Action notification dates. Many campuses respond to regular decision freshman applicants on a rolling basis, meaning when an application becomes complete, it will be reviewed and a decision will be made and communicated to the applicant. A few campuses have a set mailing date when most admission decisions are sent to the applicants. Transfer applicants are generally reviewed on a rolling basis. Check with the campus(es) to which you apply for specific information regarding the decision making process.

WHEN IS MY TUITION DEPOSIT DUE?
